

NANYANG TECHNOLOGICAL UNIVERSITY
SCHOOL OF ELECTRICAL & ELECTRONIC ENGINEERING

**MASTER PROGRAMMES BY COURSEWORK & DISSERTATION
SUBMISSION OF DISSERTATION**

Notes to Candidate:

1. All students are hereby informed that plagiarism in all forms from open printed literature and public access domains (such as internet) is a **serious offence** in your dissertation. All references to published literature either in printed form or public access domains must carry the appropriate citations to the source of the information, and to copy verbatim from such sources is **strictly prohibited**. In addition, all students are hereby informed that the school takes a serious view on infringement of copyright of published literature.
 2. A candidate is no longer liable for the payment of tuition fees when he satisfies **both** the following conditions (Not applicable to Joint NTU-TUM MSc students):-
 - a) he must have completed the entire coursework component of the programme of study, **and**
 - b) he has submitted his dissertation in a form ready and approved by the Associate Chair (Academic) for examination not later than the end of the second week of any semester
 3. A soft copy of the dissertation must be attached in the e-form submission. Student may have to provide a ring-bound copy if there is a request by the examiner(s).
 4. To route the e-form to supervisor for approval, please note that the e-form total file size cannot exceed 18 MB.
 5. Important Note: *If there is a change in your particular, please update in GSLink.*
